## EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech. Major	Sreenidhi Institue Of Science and Technology	8.7	2021-Present
Senior Secondary	Narayana Junior College	89.8%	2020
Secondary	Dr KKR's Gowtham Concept School	9.7	2018

## EXPERIENCE

- Internship** Sept. 2023 - Nov. 2023  
*AICTE-EduSkills AI ML Internship* Online
  - The Virtual Internship program on Machine Learning, supported by AWS Academy and launched by EduSkills AICTE, aims to create an industry-ready workforce in emerging technologies.
  - Through this internship, I learned about the use of Machine Learning and cloud computing in the software industry.
  - Completed few projects on Machine Learning and Cloud computing, and achieved certificates and badges in Machine Learning and Cloud computing.
- Tutor** Oct. 2022 - Jul. 2023  
*High School students tutor* Hyderabad
  - Instructed high school students in mathematics, science, AI, and basic concepts of programming.
  - Tutored a student for intermediate-level python and helped him to build a google voice assistant successfully.

## PROJECTS

- Java GUI using JavaFX** Nov. 2022 - Dec. 2022  
*Created the following projects using javafx:* Github
  - Connect4 Game
  - Temperature units converter
- Full Stack Web development** Jun. 2023 - Dec. 2023  
*Created a few projects on Web development, using Django as back end web development framework.* Github
  - Mail
  - Portfolio Website
  - Wikipedia clone
  - Commerce
- Software Engineering and OOAD** Jun. 2023  
*Worked with my classmates to create a team project on Gmail Application* Github
  - Gmail Application

## TECHNICAL SKILLS

- Programming** Python, C, C++, Java
- Web development** HTML, CSS, MYSQL, Javascript
- Tools/Frameworks** Django, Bootstrap
- Operating Systems** Windows

## COURSEWORK

- Core java-Internshala.
- AICTE-EduSkills AI ML Internship.
- DSA using Python-Nptel.

## ACHIEVEMENTS

- Completed around 400 DSA problems in various coding platforms like Leetcode, Hackerrank, GFG. Present
- Successfully completed core java course in internshala with 98% score. Dec. 2022
- President of a technical club [ECA] in Sreenidhi Institute of Science and Technology. Present
- Member in Hyderabad AI ML Dev Group Club, Hyderabad. 2023
